Discovery School Stationery List
Year 2 - Adventure Syndicate - 2010

Attached is the stationery required for your child for 2010.

We have noted some special points, and pitfalls in buying stationery from the cheaper outlets.

- All children are asked to pay the \$7.00 charge to allow staff to keep a regular and working supply of felt pens and coloured pencils in the class. Please pay this through the school office as soon as possible to allow us to purchase them at good rates. Please don't buy these for your child as we keep a class supply for the year funded by your \$7.00
- All students need a 20 page clearfile, chair bag and a book bag. These items are on the list but do not need to be purchased if your child already has them.
- Sunhats are worn in terms one and four and must have a peak at the front and may have a full brim. They are not able to be purchased at school.
- Patterns are also available from the New Entrant teacher for chairbags.
- Blue Eastlight Simplick Foolscap expanding wallets are for storage of children's records and need only be purchased on entry to Discovery School.
- The following items staff have found from experience are both poor quality and uneconomic when purchased from cheap outlets:
 - HB pencils that are other than **Faber Castell** or **Staedtler** (they break easily, cannot be sharpened readily and are often very black)
 - Glue sticks (they are often very dry and do not work well with young children. Please purchase through school)
 - Sharpie fine point permanent markers - please purchase through school unless they are the Sharpie brand.
- Any children who have purchased calculators in the past will have them retained at school for future use and passed to their next teacher.
- Please check when you buy that any books are the correct number and are not covered or labelled if they are the wrong type /number as we will send them home for replacement to ensure all children are using the correct books.

Include child's name and the following label for books when covering:

LWB Exercise Book	Printing
1F4 Exercise Books	Power Writing Story Writing Spelling Unlabelled (2)
20 page Clear File	Unlabelled
Warwick Project book	Topic
3B1 Notebooks	Spelling Home/School Communication
Candida A4 Plain Exercise Books	Poetry Reading Maths
1H5 Exercise Book	Maths
